The newest ocean fun in Hawaii

The SeaWalker

Wearing only a helmet, you can enjoy a stroll on the ocean floor while breathing easily and normally.

The SeaWalker. A compressor delivers a continual stream of fresh air to the helmet. The helmets are absolutely watertight so your hair stays dry and you can leave your glasses and contact lenses on. The SeaWalker is open to anyone who is at least 12 years of age and who is in good health. Of course, the SeaWalker is even open to non-swimmers.

Descend down to the ocean floor at your own pace - to a depth of approximately 3 meters - using the special Seawalker ladder and enjoy a stroll on the ocean floor together with an instructor. You'll feel like you're walking in outer space. [Bring the experience to a] climax by feeding the fish - the fish will gather around the food you in your hand.

[Enjoy] our popular "SeaWalker Package", which combines the SeaWalker with 2 other highly popular ocean experiences - Jet Skiing and a ride on the Banana Boat.

Caution: Hawaii law requires jet ski operators to be at least 16 years of age. However, individuals under 16 years of age are permitted to ride together with other drivers.
